A CASE STUDY

The Ask

To Produce an engaging contemporary art programme for existing and potential buyers.

The Approach

We conceptualise by incorporating multiple artistic approaches and perspectives integrated with a deep understanding of the interest patterns & preferences of our patrons.

Helped Through

1. Art Management

Curation, Audience development, Documentation and Authentication.

2. Art Monetization

AMC, Valuation, BNPL, Insurance through partnered brands.

Work Executed

1. The Display

A collection of contemporary abstract artworks interwoven with the core brand values and philosophies of Mercedes.

2. Live Performance Art

Various styles of contemporary Indian & European music.

The Outcome

1. Significant impact by increased visibility, recognition and enhanced relationships.
2. Stronger relationships by recognizing the contribution of each stakeholder and celebrating successes.
3. Returning patrons.
4. Increased effectiveness by developing a culture of collaboration.
